TAX PREPARATION SERVICES AGREEMENT – MARRIED FILERS

Denver Tax Group, LLC (“DTG”) appreciates the opportunity of working with you and advising you regarding your federal and state individual income taxes. In order to ensure an understanding of our mutual responsibilities, we ask all of our Clients for whom returns are prepared to confirm the following arrangements:

1. DTG will prepare your federal and resident state individual income tax returns; and, for an additional fee, any other state returns you may be required to file. These returns will be prepared exclusively from information which you will furnish to DTG. DTG will not audit or make any other verification on the data you submit, although it may be necessary to ask you for clarification of some of the information. DTG may furnish you with questionnaires and/or worksheets to guide you in gathering the necessary information. Your use of such forms will assist in keeping the fee to a minimum. Any other returns (for example, estate or gift) must be specifically requested and will incur additional charges at DTG’s then current price. Clients acknowledge that DTG has not made any warranties or representations as to any determination or outcome relating to tax refunds with regard to the tax preparation services, and any expressions made by any member of DTG’s staff relative thereto are that member’s personal opinion only.

2. It is your responsibility to provide all the information required for the preparation of a complete and accurate tax return. You should retain all documents, cancelled checks and other data that form the basis of income and deductions for at least the period of the statute of limitations. You should also retain documents that support items carried over into open years, including but not limited to: cost basis information, nondeductible IRA’s, net operating losses, etc. This information may be necessary and required to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the income tax returns; therefore, you should review them carefully before you sign them.

3. DTG work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. DTG will render such accounting and bookkeeping assistance when requested and only as determined to be necessary for the preparation of your income tax returns for which you agree to pay DTG’s then current hourly rate, and which will require a separate and executed contract prior to any of these services performed by DTG.

4. DTG will use its professional judgment in resolving questions reasonably and in good faith where the tax law is unclear, or where there may be conflicts between the taxing

authorities' interpretation of the law and other supportable positions. Unless otherwise instructed by you, DTG will resolve such questions in your favor whenever possible but only pursuant to the aforementioned standards of reasonableness and good faith.

5. The law provides various penalties against taxpayers that may be imposed when taxpayers understate their tax liability and/or deductions. If you would like information on the amount or the circumstances of these penalties, please contact DTG in writing. The Internal

Revenue Service also imposes penalties upon taxpayers and return preparers for failure to observe due care in reporting for income tax returns.

6. Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, DTG may be available to you upon request to represent you for which you agree to pay DTG's then current hourly rate, and which will require a separate and executed contract prior to any of these services performed by DTG.

However, such representation is not included in your tax preparation fee.

DTG provides "Audit Defense Coverage" to protect you from the cost of additional professional services rendered to represent you in the event of an audit by the taxing authorities. This service lasts as long as the statute of limitations is open for the tax year involved. Our current Audit Defense Coverage fee is \$50 for an individual return and \$95 for a business return, (schedule C or F). Please indicate below whether you want this coverage.

_____ Yes, add the appropriate fee above for Audit Defense Coverage for tax year: _____. (Also, please read and sign DTG's Audit Defense Agreement.)

_____ No, I do not wish to be covered by audit service.

7. DTG fees are based upon a combination of our standard rate schedule for the type of forms required to be filed, the time incurred to prepare an accurate and complete return, and the relevant tax issues associated with your return plus out of pocket expenses. Our minimum fee is \$185.00 and we require payment of that amount at the time you sign this Agreement. Any additional and/or remaining balance is payable when DTG provides you with the drafts of your returns and will not be filed under any circumstance until payment is made in full.

12. This Agreement, along with any Supplemental Agreements attached hereto, is the entire and exclusive agreement between the Parties, and it supersedes all previous communications, representations or agreements, either oral or written, between them with respect to this subject matter.
